**FIXTURE  
GUIDE**

The 2024 NBL1 South season tips off on Wednesday 3rd April featuring 6 games on opening night across three venues. Amongst those 6 games, opening night is highlighted by two mouth-watering Grand Final replays!

First up will be the much anticipated Women's rematch, Bendigo hosting Waverley with the 2023 Championship banner hanging from the rafters! Meanwhile, the Sandringham Men will look to avenge the heartbreaking Grand Final loss they suffered to eventual national champions - Knox.

# NBL1 SOUTH GUIDING PRINCIPLES

1

To develop a fixture which as close as possible provides all clubs equal opportunities.

2

To maximise attendances & audiences at NBL1 South games – rivalries played on a Saturday, use of midweek & Friday night games – ensuring state & national exposure of the conference.

3

Take into account requests of all NBL1 South clubs, particularly venues, rivalries and special events.

4

To ensure within restricted availabilities the need to limit back-to-back double headers for the welfare of players.

5

Gender equity is a key component of Basketball Victoria's philosophy. In NBL1 South, all games are double headers involving both women's and men's games and promoted equally. All feature games and Games of the Week take both the women's and men's games into consideration when selected.

6

All Victorian clubs play in either Mt Gambier or Tasmania in season, with Friday as a travel day.

7

Ten clubs will play in Tasmania, of which three of those teams – Ballarat Miners , Frankston Blues & Melbourne Tigers will also play in Mt Gambier in the season. This is balanced across all clubs on a season to season basis.

## THE WEIGHTED DOUBLE MATCH-UPS

With an unbalanced fixture there is a need for all clubs to play four other clubs a second time. This has been balanced using the 2022 and 2023 seasons women & men's combined win/loss to accommodate the double up match ups.

While this process cannot take into account form fluctuations between seasons, and a significant performance increase or decrease by any club may impact the fixture for others, the results of the past two seasons (combined women & men) demonstrates a relative parity of double match-ups for all clubs in the competition.

## MENTAL HEALTH ROUND

The Mental Health Round has been well-supported by NBL1 South clubs each year. The annual round represents an opportunity to raise awareness and raise funds in support of groups such as Lifeline, Headspace and other community groups who our associations choose to partner with.

In 2024, the Mental Health Round will be played in Round 2 with the feature game being the Frankston Blues hosting the Diamond Valley Eagles; naming this the 'Mac Match' in memory of Mac Holdsworth son of Frankston CEO Wayne Holdsworth, who tragically took his life aged 17 in late 2023. Funds raised from this match at Frankston will go towards Headspace. All clubs are encouraged to reach out to their local mental health partner to get their support in helping to raise awareness.

## RSL VICTORIA ANZAC ROUND

The ANZAC round starts on Wednesday ANZAC Day Eve with the traditional Frankston Blues v Dandenong Rangers match up at Dreamstreet Lending Arena. The round continues with 14 more match ups.

At the end of each game a player from the game is presented an ANZAC medal that features the distinct red petals of the poppy flower and 76 silver markings symbolising the 76 clubs nationally of NBL1.

The medal is awarded to the player that best epitomises the ANZAC spirit of endurance, courage & mateship, so varies to a traditional MVP vote.

This year NBL1 South has proudly partnered with RSL Victoria. As part of this partnership, in ANZAC Round, our referees will wear a specially designed uniform with the Australian Multicam Camouflage design on the sleeves.

## THE HERITAGE ROUND

The Heritage round is an opportunity for clubs to acknowledge past players, life members, Hall of Famers and wear throwback uniforms. The round commences on Friday 31st May with Hobart Chargers hosting the Launceston Tornadoes & North West Thunder, whilst Mt Gambier Pioneers host Geelong United at Wulanda Recreation & Convention Centre.

Other key rivalries are the Bendigo Braves hosting the Ballarat Miners, Knox Raiders hosting Kilsyth Cobras, Diamond Valley Eagles hosting local rivals The Eltham Wildcats and Dandenong Rangers hosting the Frankston Blues.

## THE FIRST NATIONS ROUND

The First Nations round is in the Victorian school holidays and kicks off on Wednesday 3rd July with Ringwood Hawks hosting Nunawading Spectres at Norwood Secondary College followed on Thursday with Eltham Wildcats hosting the Waverley Falcons and Frankston Blues hosting the Kilsyth Cobras.

With a further 13 match ups across the round, many games will be preceded by welcome ceremonies and indigenous cultural performances. The majority of clubs will take to the court in specially designed uniforms inspired by local indigenous art and storytelling.

## SCHOOL HOLIDAYS

2023 saw big crowds attend in school holiday periods, so our clubs will utilize the two sets of school holidays available. Rounds 1 & 2 and Rounds 12 & 13 feature many midweek games, which also helps reduce or remove back-to-back double headers for clubs.

# KING'S BIRTHDAY WEEKEND EXTENSION OF ROUND 9

There are 14 games fixtured on Thursday & Friday leading into the long weekend, this allows a larger spread of games across the season.

# GAMES OF THE WEEK (GOTW)

GOTW is a chance for us to showcase NBL1 south to viewers on Kayo, general sports fans on Kayo, not just fans of NBL1 basketball. States choose the best possible game on each of their allocated days.

NBL1 nationwide is only able to have upto 3 womens/men streams per day. With more than 60% of the games across the country scheduled on Saturdays, it is another reason why Friday games within the fixture are so important.

- The NBL allocates a mix of days evenly across five conferences.
- Conferences select the games before the season, taking into account match ups (women & men), venue presentation, attendance and variety of clubs to ensure all clubs are televised on Kayo, not necessarily as the home venue.
- Once the season starts some games are changed later in season because of match ups heading into finals.
