GUIDE**

The 2024 NBL1 West season tips off Thursday 28 March for Easter Thursday basketball action prior to the Easter long weekend, featuring 12 games across 6 different venues. These games will showcase the newly put together rosters of the metropolitan teams as a glimpse of what's in store for 2024.

Our regional teams, Goldfields Giants & Geraldton Buccaneers will commence their seasons in round 2 on Saturday 6 April, where the Giants will hit the road & the Buccs will look to begin their title defence at home.

NBL1 WEST GUIDING PRINCIPLES

1

To develop a fixture which as close as possible provides all clubs equal opportunities.

2

To maximise attendances & audiences at NBL1 West games – including where possible an even spread of Saturday night home games and minimal Sundays.

3

Take into account requests of all NBL1 West clubs, particularly venue availabilities, tip off times and special rounds.

4

Where possible, to space out double headers and road trips taking into account player and staff welfare.

5

Reducing travel distances for Friday night matchups, understanding it's a work day for majority of players and afternoon traffic.

6

Accommodate travel for regional teams, with their road trips to Perth consisting of a Saturday-Sunday double header.

SEEDED CONFERENCE MATCH UPS

With fourteen (14) clubs competing across a 17 week regular season (20 games for Women, 22 Games for Men) this creates an unbalanced fixtures without the ability to play everyone equally twice, both home & away.

In regards to fixturing, the West is separated into 2 conferences (North & South), where each team will play the other 6 teams in their conference both home and away, and then only 3 teams from the opposite conference both home and away, with the remaining 4 teams from the other conference only once.

CONFERENCES

NORTH

Eastern Suns, East Perth Eagles, Perry Lakes Hawks, Geraldton Buccaneers, Warwick Senators, Joondalup Wolves, Perth Redbacks

SOUTH

MENTAL HEALTH ROUND

The Mental Health Round has been well-supported by NBL1 West clubs each year on a growing scale. The annual round represents an opportunity to raise awareness and raise funds in support of local community groups our associations choose to partner with.

Our clubs and players will typically wear a universal orange for this round in support, including special uniforms, orange shoe laces, temporary tattoo's & sweat bands. All clubs are encouraged to reach out to their local mental health partner & use community basketball as a platform to promote awareness for Mental Health.

ANZAC ROUND

ANZAC round starts on Thursday 25 April, beginning with our traditional Eastern Suns vs Willetton Tigers Anzac Day match up. The round continues with 17 more games across the next 3 days where a player from each game is presented an ANZAC medal that features the distinct red petals of the poppy flower and 76 silver markings symbolising the 76 clubs nationally of NBL1.

The medal is awarded to the player that best epitomises the ANZAC spirit of endurance, courage & mateship, so varies from a traditional MVP vote.

HERITAGE ROUND

The NBL1 West is excited to unveil the first annual Heritage round in 2024, as an opportunity for clubs to acknowledge past achievements, players, life members, Hall of Famers and wear throwback uniforms.

The round commences on Friday 31st May, where current clubs will work collectively through the new NBL1 era to embrace a rich history of the West Australian basketball & the former SBL.

FIRST NATIONS ROUND

The First Nations Round kicks off NAIDOC week with games held July 5-6 in Round 15.

We will see 15 games across the weekend, with most including indigenous cultural performances and welcome to country. All 14 of our clubs will be wearing specifically design first nations round uniforms inspired by local indigenous culture and stories.

GAMES OF THE WEEK (GOTW)

GOTW is a chance for us to showcase NBL1 West to viewers on Kayo, as well as general sports fans, not just fans of NBL1 basketball. Each conference chooses the best possible match up on their allocated Kayo gameday for the round.

NBL1 nationwide is only able to have up to 3 womens/men streams per day. With more than 60% of the games across the country scheduled on Saturdays, it is another reason why Friday games within the fixture are so important.

The NBL allocates a mix of days evenly across five conferences and conference games will be advertised weekly.
